# SUNDAY 13th MARCH

On Sunday we started  
our journey for  
Hasselt, in Belgium.  
We arrived at the  
station at 8.30pm,  
where the host  
families welcomed us

# MONDAY 14<sup>th</sup> MARCH

We were welcomed to the Kindsheid Jesu school by Belgian teachers. After having lunch in the school canteen, we walked around the city to visit Hasselt. In the evening we played a fun bowling game together.

# TUESDAY 15<sup>th</sup> MARCH

*On the second day we went to Brussels. We visited the Atomium and then we visited the city center. We started our walk from the Warrender Park. On one side we saw the Belgian Parliament, on the opposite side we saw the Royal Palace. Then we visited the Palace of Coudenberg, the Museum of Arts, the Grand Palace and the Manneken Piss. Finally we went back to school where we ate French fries.*

# WEDNESDAY 16<sup>th</sup> MARCH

On Wednesday we spent the morning at school, in the library, where we made a powerpoint about our country, the typical dishes and all the attractions you can visit and then we presented it to the Kindsheid Jesu's students. They gave us cloth bags, on which we drew and then we played sports for an hour. During the afternoon we continued to visit Hasselt with our host families.

# THURSDAY 17<sup>th</sup> MARCH

Thursday was the day dedicated to sport. We went to the Action Park, where we did High Parkour, table football XL and team building. Then we reached Schaverdijn, where we played cricket and went ice skating.

# FRIDAY 18<sup>th</sup> MARCH

On the last day we went to school and then we went to boxing lessons. We returned back to eat at school and then we rode our bikes around Hasselt.

# SATURDAY 19<sup>th</sup> MARCH

On Saturday our host families accompanied us to the station, where we said goodbye and then left. We ate with the Greeks and then got on the plane to return to Italy.
